A detailed Occupations List is available on the GV DAMA Website.

ANZSCO Code

An ANZSCO code is a six-digit numerical system used to classify and categorize occupations for statistical purposes and immigration purposes in Australia and New Zealand, each occupation having a unique code.

ANZSCO Skill Level

In ANZSCO (Australian and New Zealand Standard Classification of Occupations), skill level reflects the range and complexity of tasks within an occupation, measured by formal education, training, experience, and on-the-job training.

GV DAMA APPROVED OCCUPATIONS

Eligible employers are able to sponsor workers in the occupations that are approved for GV DAMA

LABOUR AGREEMENT STREAM

SID – Skills in Demand visa (subclass **482**)

SESR – Skilled Employer Sponsored Regional (Provisional) visa (subclass **494**)

ENS – Employer Nomination Scheme (subclass **186**)

** Conditions apply

How to Apply Under A DAMA?

The DAMA is an **employer-sponsored** visa program and individual workers cannot apply independently.

Employers must apply to the Designated Area Representative (DAR) to access the DAMA for the occupations, concessions and number of workers they require.

Generally, the application process consists of:

Step 1. The employer (sponsoring business) applies to the relevant DAR for **endorsement**.

Step 2. The DAR assesses the **endorsement application**.

Step 3. If the assessment is positive the DAR issues a letter of endorsement to the employer and notifies the Department.

Step 4. The sponsoring business makes an application to enter into an **individual DAMA labour agreement** with the Department.

Step 5. The Department assesses the **DAMA application**.

Step 6. Once a positive outcome is received from the Department, the employer can proceed to; **lodge a nomination** for the employee and the employee can also **lodge a visa application** under the labour agreement stream with the Department
